Valeur Capital Launches new Anteo UCITS Platform

5 Feb 2018

Valeur Capital Ltd (Valeur) is pleased to announce the launch of its new Anteo Luxembourg UCITS compliant Umbrella Fund as it continues to expand its fund offering.

The new platform launched with €250 million under management with 3 active sub-funds.

Anteo Fixed Income Relative Value and Opportunities was the first UCITS fund made available on the Anteo platform providing investors with another compelling investment solution with low correlation to the market.

The Fund offers investors access to Valeur Capital' proven expertise in generating alpha exploiting market inefficiencies in the microstructure of the bond market, through relative value trades and a rigorous risk management process with tailor risks hedging measures.

The Fund has raised more than €110 million of institutional capital and is available in EUR and CHF share classes. The Fund, previously known as Indaco Fixed Income Relative Value and Opportunities SICAV SIF, has more than 3 years track record.

Valeur Capital is the London-based asset management company of Valeur Group. Valeur is a worldwide-present independent group formed by a motivated team of professionals with extensive experience in major global banks.

Lorenzo Vangelisti, CEO and founder of Valeur, said: "We believe this new UCITS platform further demonstrates Valeur' commitment to offering investors access to liquid strategies aiming to achieve absolute returns with low volatility."
